

## **MARVELOUS MATHEMATICIANS AND THEIR METHODS**

Ever find yourself wondering how math got started? Who made all these decisions about the math we use today? Want to know which mathematician was inspired by a toothache and who got started because of a school bully? We will do hands-on activities, collaborative problem solving and learn entertaining skits, while investigating the intriguing history of our math.

**WHEN?** Mondays 2:50 to 3:50 9/17/18- 12/3/18

**WHERE?** Room 301

**HOW?** Sign up through EISD Community Ed, <http://eanes.augusoft.net>
